

# CHERRINGTON BEACHCLEANERS

## Screened-Clean Beach Results

Beachcleaning this well can only be done by screening.  
Cherrington offers any size screen you need and screens can be quickly changed  
to meet the challenges of your beach.

Cherrington Beachcleaners have taken beachcleaning to a new level -  
Only Cherrington provides deep down Screened-Clean Beach Results.

Cherrington Beachcleaners and Screeners  
(701) 952-0226 or US Toll-free (800) 966-1588

**BEFORE**

**AFTER**

*Broken glass, plastic, rocks*

**Cherrington's exclusive Lift and Screen System leaves the sand on the beach and the debris in the hopper. The Proof is in the Hopper.**

*Driftwood, trash*

*Seaweed*

*Cigarette filters, trash*

**Whatever your beach problem - trash, stones, shells, coral, seaweed, driftwood, cigarette filters or construction debris - it's no problem for Cherrington! Screen out anything larger than the selected screen hole size from 2 to 6 inches deep.**

**Cherrington has a full line of beachcleaners - high capacity or compact, self-propelled or tractor models. Contact us today for more information about the right beachcleaner for your beach. (701) 952-0226 or US Toll-free (800) 966-1588.**
