

HDS 900 Ci

Commercial Cold/Hot/Steam Electric High-Pressure Washer

Compact and powerful, the HDS 900 Ci features innovative German engineering. This pressure washer is ergonomically and compactly designed and is well suited for agriculture, automotive and janitorial cleaning applications. The HD 900 Ci includes features such as a one-piece motor/pump housing for excellent heat transfer and a patented Kärcher high-performance pump with steel pistons provides increased efficiency and trouble-free operation. In addition, the high-performance burner system comes standard with a 5 year limited warranty and an integrated anti-scaling device reduces downtime due to mineral deposits.

Air-cooled, electric motor with **overload protection**

Kärcher **high-performance burner system** with vertical heater coil and air insulated double jacket

24 VAC protective low control voltage

Infinitely variable chemical metering, operating pressure and water volume

Ergonomic machine handle design

Low resistance trigger gun and patented Anti-Kink System with rotating high pressure hose and spray wand

Low fuel shut-off

Compact design with powder-coated, one piece low profile chassis (corrosion proof), built-in 4.0 gal. corrosion resistant fuel tank and 2.7 gal. removable, corrosion-proof chemical tank

Semi-pneumatic tires and swivel-type caster with brake

HDS 900 Ci

Commercial Oil-Fired Cold/Hot/Steam Electric High-Pressure Washer

Technical Specs

Part Number

1.873-409.0

Electrical Data

208 - 240 V / 1~ / 60 Hz / 4.0 HP / 19 A

Operating Pressure

450 - 2000 PSI (Infinitely Variable)

Water Volume

1.4 - 3.0 GPM (Infinitely Variable)

Maximum Water Temp.

175° / 285°F (Infinitely Variable)

Machine Net Weight Without Accessories

198.4 lbs

Machine Dimensions

40.6" x 23.6" x 28.7"

Warranty

2 year limited

Standard Accessories

- On/Off trigger gun
- Stainless steel wand (360° pivot)
- Kärcher 25° Power Nozzle
- 50 ft. swiveling high-pressure hose
