

HT Series Digital Home Theater Speaker Systems

Yamaha recommends a 6.1-channel/5.1-channel combination of the NS-8390/NS-50F (for front L/R), the NS-P70 (for 6.1-channel system) and NS-P60 (for 5.1-channel system), and the Advanced YST subwoofer. To enjoy the full dynamic potential of contemporary movies, this Yamaha combination is ideal.
