

VIDEO SURVEILLANCE

CCTV Video Surveillance Systems - NEW!

C-DR161/091 Series DIGITAL VIDEO RECORDERS

- Sixteen new models!
- Integrated multiplexer supports 9 or 16 cameras
- 80, 160, 320, 600GB versions (expandable with optional Disk Arrays)
- Optional DVD recorder
- 720 x 240 resolution and 120fps recording rate
- Audio input and output
- USB Interface for mobile recording media
- Large system capacity – cascade up to 8 DVR's for 128 camera inputs and 43.2 terrabyte data storage
- Network interface (100BaseT)
- Remote surveillance using standard web browser
- E-mail notification
- Double keylock protection (password, password+USB)
- Network Time Protocol (NTP) ensures accurate time-stamp
- Alarm, motion detection and optional mirror recording
- Falsification detection prevents image tampering

- Optional remote camera controller, model C-RM1000
 - Remote controller for DVRs and combination dome cameras
 - Controls up to 8 DVRs and 128 cameras
 - Connect up to 4 remote controllers (w/optional C-RF1000 interface unit)

C-DA1000-1 C-DA1000-2 DISK ARRAYS

- Connect up to two Disk Array units per DVR
- Mirroring function ensures fail-safe recording

C-RM1000 REMOTE CONTROLLER FOR DVRs AND COMBINATION DOME CAMERAS

- Controls up to 8 DVRs and 128 cameras
- Connect up to 4 remote controllers (w/optional C-RF1000 interface unit)

C-RF1000 REMOTE CONTROLLER INTERFACE

- Allows connection of up to four C-RM1000 remote controllers

C-AP105 COAXIAL TRANSMITTER/RECEIVER

- Transmit video, audio and control signals on one coaxial cable
 - Video signal (simplex)
 - Audio signal (duplex)
 - Control signals (4 contacts/duplex)
- System integration with security and audio equipment
 - Camera/monitor/microphone/speaker/sensor etc.
 - Save cable lines
- Speaker output: 1W @ 8 ohms
- Maximum cable length 600m (when using RG6 cable)
- Package includes (2) C-AP105, wall-mount microphone and wall brackets

C-VD6 DISTRIBUTOR/SPLITTER

- Distribute one video input signal to six video outputs or two video signals to three outputs each

LCD and CRT Monitors

- IK-H550V
 - 15" LCD monitor
 - Active matrix super TFT
 - 1024 x 768 pixels
 - VESA mount included
- IK-H750V
 - 17" LCD monitor
 - Active matrix super TFT
 - 1280 x 1024 pixels
 - VESA mount included
- IK-H950V
 - 19" LCD monitor
 - Active matrix super TFT
 - 1280 x 1024 pixels
 - VESA mount included
- VCM-901
 - 9" CRT monitor, color, 300TVL, audio
 - Optional rack-mount, model RMK-901
- VCM-14H
 - 14" CRT monitor, color, 350TVL, audio
 - Optional rack-mount, model RMK-14H
- VCM-1501
 - 15" CRT monitor, 700TVL, audio, metal cabinet
 - Optional rack-mount and handle, model RMK-1401
- VCM-2101
 - 21" CRT monitor, color, 450TVL, audio, metal cabinet
