310-358 CAT6

50-Pair Wiring Blocks

50-Pair Modular 66-IDC Wiring Blocks.
 Used in equipment rooms and wiring closets to connect telephone systems, PBX systems and other low-speed terminal equipment
 Flame Retardant Thermoplastic Construction Quick-Connect 66-IDC Terminals

- 310-366** 50-Pair Split 66-IDC Type Block
 2 1/8" (W) x 10" (H) x 1 1/8" (D)
- 310-367** Mounting Bracket for 66 Block
 1 7/8" (W) x 10" (H) x 1 1/2" (D)

310-366

310-367

Bridging Clips

- 310-372** Bridging Clips for 66-IDC Wiring Blocks
 Makes adjacent wiring connections on split block
 Reusable for Wire Changes
 Easy to Remove When Testing or Isolating Wire Pairs
 Nickel-Plated Brass Construction
 1/2" (W) x 1/3" (H)

310-381

310-372

Distribution Spools

- 310-381** Distribution Spools
 Facilitates quick organizing and guiding of cables and wires
 Mounts on distribution frame backboard
 High-Impact ABS Plastic
 Includes mounting screw
 1 3/4" (Dia.) x 3" (H)
