**Mowing is Fun Again.**

Remember when you were a kid and your dad let you mow with the riding tractor. You'd live out the world through you hair at an eye-catching 6 miles per hour as you dodge and weave between trees, shrubs, flowers, beds, a new world of the yard, cut a lot of grass.

MOWING IS FUN AGAIN.

The other way with the zero-turn radius maneuverability:

- **True zero turn radius.**
- **Turns within its own length.**

The FastTrak™ is the first residential mower built to commercial standards of performance and durability. In fact, the FastTrak is so tough, it carries a full 1-year commercial warranty!

In terms of its conveniences, the FastTrak is operator-friendly in the extreme, comfortable in the way that only mowers meant for all-day, everyday use can be:

- SmoothTrak™ steering for the smoothest, most-nimble controls in its class
- A sturdy, cushioned sliding seat with standard armrests
- 18" drive tires and 11" caster tires for a soft ride
- Adjustable (hose,lift, up/down) steering levers for ideal positioning
- Large, easily-reachable cupholders

The FastTrak comes out for head-to-head comparisons, for the kicking of some tires. Examine any aspect of the FastTrak’s design or construction, feel the thickness of its steel, look carefully at its powertrain, spend a solid 15 minutes in the operator’s seat… do so, and you’ll want to take one home with you.

PROFESSIONAL MOWING COMES HOME!™

HUSTLER FASTRAK Z FEATURES

Sealed ball-bearings in the front forks for trouble-free performance (compare to the brass bushings other manufacturers are content to use).

An operator-friendly design that puts all the noise of the engine and the heat of its exhaust behind you.

A wide stance and a low center of gravity for unmatched performance on slopes.

BEST WARRANTY IN THE BUSINESS
- Four-year limited parts and labor warranty
- Lifetime warranty on the tractor frame
- Lifetime warranty on the leading edge of the deck
- 1-year commercial warranty
