E-360EE

The E-360EE burden carrier is a UL Approved Type EE Powered Industrial Truck.

It stands out with superior maneuverability and safety. Rear batteries increase weight on the traction drive, enhancing the braking performance with a short stopping distance. Steering is smoother thanks to less weight on the front axle.

Low maintenance is guaranteed by dependable automotive differential and disc brakes, with large bolt-on discs.

Benefits

RUGGEDNESS. Automotive ring gear differential, axle shafts on roller bearings.

DEPENDABILITY. Large automotive self-adjusting disc brakes.

MANEUVERABILITY. Short turning radius. Less weight on front axle.

COMFORT. Bucket seats on slide adjusters.

STURDINESS. 14-G diamond-plate steel, tubular frame.

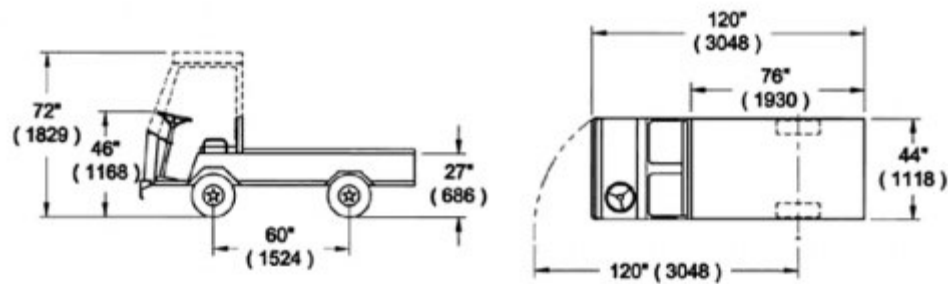

DURABILITY. Optional bolt-on front bumper.

E-360EE

Dimensions

Technical specs	
Type	36-volt Type "EE" Burden Carrier
Capacity	*2,000 lb. (1 364 kg)
Speed (Max)	10 mph (16 km/h)
Motor	10 hp
Controller	Electronic speed controller
Battery	Six 6V-220AH batteries
Charger	25 amp, portable, automatic
Transmission	GOODYEAR Eagle Synchronous drive
Drive axle	Differential with automotive ring gear
Brakes	Rear hydraulic brakes, 11" diameter automotive discs
Steering	Automotive steering wheel
Suspensions	Dual leaf springs on front and rear
Seats	Two bucket seats on slide adjusters
Indicators	Battery status indicator
Safeties	Deadman seat switch, optional reverse alarm
Lights	Dual head lights, dual tail/brake lights
Accessories	Horn
Wheels	5.7x8 LRC pneumatic tires
Unit Weight	1,500 lb. (682 kg) w Batteries
Options	Reverse alarm. Bolt-on front bumper, 1/4" plate steel. Front disc brakes. 36VDC/12VDC converter for accessories. 6V-244AH batteries. Lift-out or roll-out battery box. Digital battery status indicator, hour meter. Maintenance meter. Strobe light. Turn signals. 3000 lbs capacity with 8 mph gear ratio.
Standard	Conforms to requirements for Type EE as stated in O.S.H.A. standard section 1910.178 (Powered Industrial Trucks).
Notes	*includes 200 lb. per passenger. Specifications and standard equipment are subject to change without notice.
