

TALBOYS

Lab-lifts

- Exceptional stability and durability
- Stainless steel construction
- Seven convenient sizes to choose from
- Autoclavable and chemical resistant

Talboys Heavy Duty Lab-lifts

These heavy duty, stainless steel lab-lifts are ultra-stable lifting platforms with exceptional strength and durability. Constructed of 300 series stainless steel, lab-lifts are designed for use in extreme environments and high load applications. Durable construction allows lifts to be auto-claved or chemically cleaned. Ideal for use in fume hoods or bench tops and hold a variety of items such as glassware, hotplates, baths, and magnetic stirrers.

Lab-lifts are equipped with over-sized, sure-grip adjustment knobs that provide extra leverage for easy height adjustments. Talboys offers seven different sizes to accommodate any application.

Optional Accessories

17" support rod kit - Ideal for creating an adjustable support stand for mounting various items such as thermometer clamps, temperature probes, flask and column clamps. This kit allows you to mount a 17" vertical support rod to the upper deck of a 6x6, 8x8, 10x10, 12x12, or 16x16 lab-lift.

Ratchet tool - Designed to add extra leverage to your 12x12 or 16x16 lab-lift. This recommended ratchet tool easily attaches to the actuating rod to allow easy, accurate adjustments.

Lab-lifts, gives you lift when and where you need it.

Deck size in(cm)	Part No.	Max. height in(cm)	Min. height in(cm)	Max. load lb(kg)	Price
3 x 3 (7.62 x 7.62)	960054	5.00 (12.70)	2.50 (6.35)	20 (9.07)	\$139.00
4 x 4 (10.16 x 10.16)	960055	5.00 (12.70)	2.50 (6.35)	30 (13.61)	149.00
6 x 6 (15.24 x 15.24)	960056	9.75 (24.76)	3.00 (7.62)	35 (15.88)	199.00
8 x 8 (20.32 x 20.32)	960057	13.00 (33.02)	3.50 (8.89)	55 (24.95)	249.00
10 x 10 (25.40 x 25.40)	960058	13.00 (33.02)	3.50 (8.89)	80 (36.29)	329.00
