Model PFV36-B1 shown with Natural Speaker Foundations™ model NF24b

- « The sleek platinum lines offer a striking look to accompany modern AV gear
- « Extra-thick adjustable glass shelves for a sleek, modern look
- « Large wire management channels keep cables organized and orderly
- « Open architecture allows maximum airflow to keep AV components cool, while allowing maximum access to cables

The perfect stand for your digital TV, whatever size it happens to be

An elegant silver or black finish is custom-blended to perfectly match today's digital televisions. And Platinum furniture is constructed of high-quality materials that provide the enhanced strength and durability needed to handle even the largest televisions.
