

Coaxial Cable Connectors

Coaxial Connectivity

- High performance F, RCA and BNC connectors
- Designed for broadband coaxial cable installation
- Suitable for video, voice and data applications
- Quick, easy installation on RG6, RG6-Quad, RG6P, RG59, RG59 Mini, RG59P, RG11 or RG58 cable
- Makes a permanent connector-to-cable attachment and seal
- Manufactured of precision machined annealed brass or diecast zinc
- Sturdy one, two or three-piece construction
- Anti-corrosion gold, nickel or yellow zinc electro plating
- Available in compression, crimp and twist-on styles
- Can be used with most standard tools
- Recommended Steren Tools
 - 204-036 Compression Tool
 - 204-005 Crimp Tool
 - 204-202 3-Bladed Coax Stripper
 - 204-205 2-Bladed Coax Stripper

Product Description

The complete coaxial cable connector line from Steren Electronics offers high quality performance, ease and versatility for all coaxial video, voice and data broadband applications. Available in compression, crimp and twist-on styles, these F, RCA and BNC connectors make installation of RG6, RG6-Quad, RG6P, RG59, RG59 Mini, RG59P, RG11 or RG58 cable go quickly and smoothly. The one, two or three-piece connectors are constructed of precision machined annealed brass or diecast zinc with an anti-corrosion gold, nickel or yellow zinc electro plating for maximum conductivity and reliability. The connectors make a permanent connector-to-cable attachment and seal. Steren connectors can be used with most standard installation tools.
