

# NEW VISIONMOUNT® MOTORIZED MOUNTS

model LMT15

MODEL .....LMT15  
 TV SIZE RANGE.....40" – 60"  
 WEIGHT CAPACITY .....150 lbs.  
 AVAILABLE .....Q4 2008

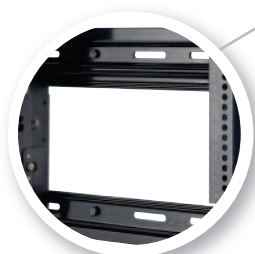

Automatically tilt to preset viewing angle when TV is turned on, or use remote control to position as desired

Change viewing angle without leaving your seat—perfect for placement above a fireplace and for reducing glare

Safety sensors will stop movement instantly if object interference is detected

Open wall-plate design allows flexibility for cable management

IR remote control included
