

Behringer Counter Top Clamp Display

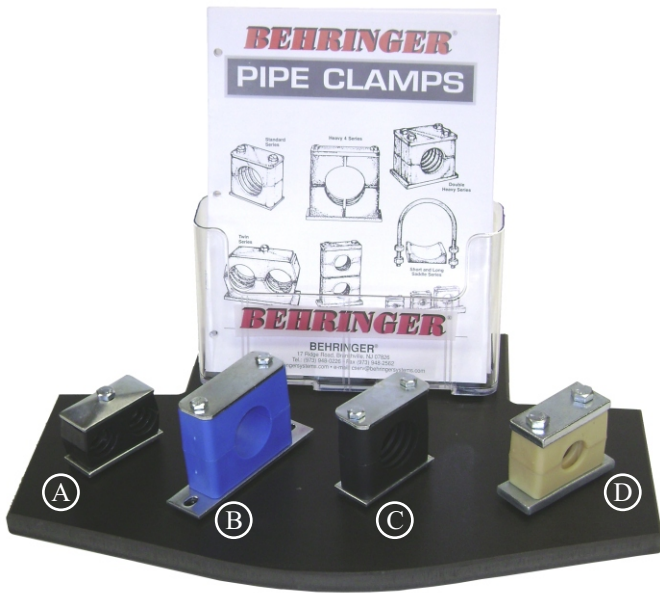

Behringer Pipe and Tube Clamps Sample and Literature Display

Behringer's counter-top pipe and tube clamp display is an excellent marketing tool for anyone who has walk-in sales and a counter top. Whether you are a hose and piping shop, fluid power distributor, or fittings and accessories retailer, your customers will need a way to secure their piping, tubing, and hoses.

The counter-top pipe and tube clamp display features four clamps secured with Velcro material for easy removal to promote discussions. It is a great way for the customer to get a "hands-on" feel for the product. Also attached is a literature holder with the Behringer logo. The Display also includes

Applications

- Counter-top display
- Trade shows
- Vendor fairs
- Training Sessions

Included Clamps

Sample	Size	Part Number	Description
A	1" Tube	TW3100-PP	Twin Series Clamp for 1" OD Tubing, zinc-plated hardware with polypropylene clamp pair material. Features: allows for weld-mounting of two lines with one single clamp to steel structure.
B	1-1/2" Tube	BSBZ6150-PP	Sanitary Series clamp for 1-1/2" OD Tubing, zinc-plated hardware with polypropylene (blue) clamp pair material. Features: Smooth Bore design for sanitary applications has no recesses or crevices in the plastic that can harbor bacterial growth. BAP Base plate allows for bolt mounting to structure.
C	1-1/2" Tube	S5150-PP	Standard Series clamp for 1-1/2" OD Tubing, zinc-plated hardware with polypropylene clamp pair material. Features: allows for weld-mounting to steel structure.
D	1" Tube	SHZ4100-SP	Heavy Series Clamp for 1" OD Tubing, zinc-plated hardware with Santoprene clamp pair material. Features: allows for weld-mounting of higher pressure lines to steel structure.
