

Pre-Engineered Cabinet Work Benches

Maximize Under-Bench Storage!

- Ideal for garages, tool cribs, mailrooms and other locations where an enclosed type bench is desired. Cabinet work benches also make great service counters! Install two or more units side by side to define work areas.
- Each units normal height is 34" high.
- Pre-engineered unit includes a center shelf adjustable on 1½" centers.
- For top descriptions, see page 111.

COLOR INFORMATION,
choose from the following

Customize your cabinet bench further with universal work bench accessories!

Since Lyon work benches share common tops, you can further customize your bench by adding more accessories such as Back & End Stops, Risers, Pick Racks, and Electrical Outlet Strips. See page 110 for more information on accessories.
