Quick Pick Bins & Wire Shelving Systems

Nest 'em

QuickPick Bin

Cross Stack 'em

compartments

The most unique storage bins available. This double open hopper bin provides front and back access to stored parts.

These heavy-duty, polypropylene storage bins provide an open hopper front and back, allowing double access to stored parts. Bins stack one on top of the other, both vertically and cross wise and nest when empty for space efficiency. Optional dividers may be used front to back, side to side or both at the same time, dividing the bin into four sections. A molded in label holder on both the front and back of the bin allow for easy parts identification. Bins can be used on standard metal or wire shelving as well as on desks, bench tops or work stations. Available in 6 sizes and in 3 colors: Blue, Yellow and Red.
