

## Single Tier C-Thru Lockers

Single Tier lockers are our most popular locker. Their roomy interior allows storage for a host of items including articles of clothing, sports equipment, valuables and more! Plus, in today's security minded atmosphere, these lockers can be visually inspected without the need to actually open the locker. Perfect for public places like airports, government buildings, factories, schools, fitness clubs, hospitals or any other building that needs added security.

- Three coat hooks per opening, plus coat rods on lockers 18" and deeper
- Heavy Duty Plexiglas door inserts.
- Available in single or three-wide units
- Opening sizes of 12" or 15" wide
- Locker depths of 12", 15" or 18"
- Positive 3-point locking system in doors
- Available with or without legs
- Available fully assembled only
- Optional locks and other accessories available, refer to pages 20-23.

## Double Tier C-Thru Lockers

Double Tier lockers offer an advantage in that twice the number of lockers can be placed in the same space as single tier lockers. Each locker has plenty of hanging space for jackets and shirts thanks to three preinstalled coat hangers. For added security, the Plexiglas door inserts allow contents to be viewed without the need to open the door. Positive 2-point locking system in the door secures contents.
