

Desk and Office Seating

Fully Adjustable Ergonomic Seating With Contemporary Styling!

Lyon desk and office chairs are specifically designed for the seat heights typically found when sitting at desks and in offices. Ideal for workers who use computers. Built with durability in mind.

Technical/Ergonomic Features

- Total seat height adjustment 16" to 21". Pneumatic lift allows for automatic 5" adjustment while seated.
- Seat and back ergonomically designed to promote good posture. Waterfall front to ease pressure behind the knees. Contoured back with tilt for lumbar support.
- 26" molded nylon base with webbed fiber-glass reinforcement.
- Ideal for computer users.
- Optional casters and armrests available. *See page 130.*
- 250 lb. capacity.

An essential component for truly ergonomic work stations, Lyon footrests provide an elevated platform to alleviate pressure on thighs and improve circulation while accommodating tasks on a high work surface. Relaxes tired feet and helps prevent muscle strain that may

contribute to lower back discomfort. Textured rubber matting is slip-resistant. Tubular steel design with matte-black finish.
