

# C-Thru Storage Cabinets

*Our Security Conscious Storage Cabinet*

C-Thru Storage Cabinets are the perfect solution for viewing contents of cabinets without violating people's privacy in schools, industrial applications, airports, prisons and more where concealed belongings need to be scrutinized.

C-Thru door options are available for most Tennsco Storage Cabinets including wardrobe cabinets, combination cabinets, counter height cabinets and more. You'll find the C-Thru option convenient for locating materials while meeting your security needs.

## Visual Door Panels

Clear acrylic door panels offer visibility to stored contents without the need to open the cabinet.

## Available In Standard & Deluxe

C-Thru Storage Cabinets can be ordered with either Standard or Deluxe cabinet features. (See pages 3 thru 5 for more information.)
