

### CFR-1™ Comfort Fit Respirator

North's new CFR-1 reusable particulate respirators give workers the comfort and protection they deserve at a much better value than ordinary dust masks. The filter in the CFR-1 does not touch the face, keeping it cool and dry, and one filter can usually provide all day protection. The facepiece is reusable, and replaceable filters will save money and reduce waste.

Description	Part Number
Respirator (small)	4200S
Respirator (medium)	4200M
Respirator (large)	4200L
N95 particulate filter, 20 per package	42N95

### CFR-1 Welding Respirator

Designed for the serious welder, the CFR-1 Welding Respirator has a metal mesh front that will protect the filter from heat, sparks or slag. Its low profile design easily fits under a welding helmet and/or face shield. Low cost replacement filters makes this an excellent value when compared to expensive disposable welding respirators.

Description	Part Number
Welding respirator (small)	4200SW
Welding respirator (medium)	4200MW
Welding respirator (large)	4200LW
N95 particulate filter, 20 per package	42N95

### BP1000 SERIES Backpack Adapter

Allows users to locate cartridges and filters out of the work zone, by placing them on the user's back. Ideal for tight or high heat workplaces. Easily adapts to all North air-purifying facepieces (sold separately).

*Shown with 5500 Series Half Mask and 7581P100 cartridges*

Description	Part Number
Backpack adapter	BP1002

### Basic Protection Kit

Includes 5500 half mask respirator with P100 filters, 1 pair of liquid proof nitrile gloves and The Edge™ safety glasses, blister packed.

Description	Part Number
Protection kit (small)	BPK5500S
Protection kit (medium)	BPK5500M
P100 filters - 2 per package	BKPK100R

## Cartridges and Filters

Description	Part Number
P100 Particulate Filter (99.97% minimum filter efficiency)	7580P100
Organic Vapor Cartridge and P100 Particulate Filter (99.97% minimum filter efficiency)	7581P100
Organic Vapor, Chlorine, Hydrogen Chloride, Sulfur Dioxide, Hydrogen Fluoride, Chlorine Dioxide Cartridge and P100 Particulate Filter (99.97% minimum filter efficiency)	7583P100
Defender™ Multipurpose Cartridge for Organic Vapors, Chlorine, Hydrogen Chloride, Sulfur Dioxide, Hydrogen Sulfide (Escape) Hydrogen Fluoride, Chlorine Dioxide, Ammonia, Methylamine and Formaldehyde and P100 Particulate Filter (99.97% minimum filter efficiency)	75SCP100
