

# Fire-Dex FX™ Gear

FX™ Gear is available with the fabric combinations, closures and trim to meet your needs. We have an array of different options including pocket reinforcements, lettering, and other choices to personalize your gear. This gear is made with all the standard features listed but allows you to add more options.

## Coat Features

Coat available in 35" Traditional Style and 28" or 32" Assault Style

Patent pending seamless collar that allows the wearer to have the collar upright as shown or folded down

Patent pending removable Drag Rescue Device allows it to be removed for cleaning reducing the possibility for damage

Variety of pocket options

DexFlex™ Back and Elbow help the garment fit and move with the wearer

2 snaps to secure the liner to the hem of the outer shell

3M™ Scotchlite™ Reflective Material in your choice of color and configuration

## Pant Features

New athletic cut pattern, mid rise pant

Option of no bib, 3" bib or 6" bib

Ergonomic Leg that has an angled design to fit in a forward firefighting position

H-back, padded suspenders with parachute pull

Comfort inseam in crotch reduces wear and stress on the liner

3M™ Scotchlite™ Reflective Material in your choice of color and configuration

New FX Gear knee design eliminates the seam making for an even more comfortable fit.
