Darley Advantage Gloves

When you're called to face the toughest jobs, you need protective gear that will give you an advantage. The new Darley Advantage Glove delivers the softness of elk skin with the long-wearing toughness found only in split grain leather gloves. It is fully NFPA 1971 and OSHA compliant and includes a sewn SEF liner permanently attached to the liquid barrier. A reinforced palm gives you added protection in the wear area.

- ▶ Higher thermal rating than regular cowhide
- ▶ Softer finish, compared to elk, remaining soft after wet
- ▶ Very high level of water repellency, higher than elk or thermal cowhide
- ▶ Much longer wearing leather
- ▶ *Ship. wt. 1 lb.*
