

## Federal Q Electromechanical Siren

Beautiful, Streamlined, Chrome Plated, Commands Respect

This siren includes grille, brake, and chrome finish. It is designed to be pedestal mounted but is also offered less the rear housing for flush mounting. Heavy-duty coaster clutch is subject to very little wear. The unique clutch design delivers a longer coast-down sound once power is removed, thereby reducing battery drain. For quick silencing, an electric brake is also a standard feature. 12-volt, operating current 100 amps. The **AC895** model comes complete with stainless steel finish, grille, brake, pedestal and rear housing. Model **AC896** is for flush mounting and does not include pedestal or rear housing. *Ship. wt. 49 lbs.*
