

Airgun 40 Kit

A 600 blow per minute, 7 pound, pneumatic impact tool. Combining ease of handling, very low air consumption and high power output. It is an ideal tool for rescue work. Vehicle crash sites, metal clad buildings, aircraft penetration, exhaust ducts and composite structural material are typical barriers often faced by rescue personnel. The Airgun 40, using one of several specially designed tool bits, should be your tool of choice when faced by these situations. The Airgun 40 is an ideal confined space tool. *Ship. wt. 31 lbs.*

PARATECH

- ▶ Airgun 40, with inline oiler
- ▶ Pressure regulator, 6,000 - 350 psi
- ▶ 32' hose

- ▶ Hex key 3/16
- ▶ Storage and carry case
- ▶ Operating and instruction manual
- ▶ Plastic safety goggles

BB136 Airgun 40 Kit \$2,675.95

Sure Cut System

The Sure Cut System will cut virtually any metal, both ferrous and non-ferrous, and is faster than conventional oxy-acetylene cutting. Our system does not require preheating or cleaning the material before cutting. It is easy-to-use and is cost effective for most applications.

Features:

- ▶ No Carbon Residue - Clean cuts with no carbon to grind away
- ▶ Portable - It can be used in remote areas with the use of a 12v battery
- ▶ Faster - Sure Cut is as much as five times faster than oxy-acetylene cutting and up to ten times faster than Carbon Arch Gouging, depending on the thickness of material to be cut
- ▶ Easy-to-Use - With Sure Cut equipment, all you need is an ignition source (welder, 12 or 24v battery or torch) and oxygen to operate

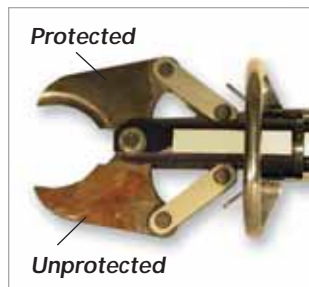

NEW

BH017 Tool Box Kit with Standard Holder and 24 Rods* \$599.95
 * 12 each 1/4" and 12 each 3/8"x24" QC rods

Rapid Toolguard

With the price of rescue tools so high, can you afford to let them rust? Rapid Toolguard will prevent rust and protect tools without leaving a sticky surface to attract dirt like most lubricants do.

- ▶ Prevents rust to improve performance and extend tool life
- ▶ Use to protect tools
- ▶ Penetrates deep to seal out harmful moisture & prevent corrosion

BE047 Rapid Toolguard \$7.95

Heavy Rescue Outfit

The PETROGEN® Heavy Rescue Outfit is designed for extensive steel cutting in a heavy rescue situation. The components were assembled with the input of firefighters and USAR members. Hundreds of fire departments and USAR teams are using the PETROGEN® system. *Ship. wt. 19 lbs.*

BA126 Heavy Rescue Outfit \$1,598.95
