### A. Darley Winter Hood

Insulated against the hazards of both severe heat and frigid temperatures by combining knitted PBI blend on facing for top flame protection (external) while 100% Nomex (internal) protects against cold temperatures. Front and back extensions protect the entire neck and single ply crown top prevents bulking under helmet. Reinforced adjustable face opening allows for positive face mask seal when worn properly with breathing apparatus. Wear it with eyes only exposed or open faced. *Ship. wt. 2 lbs.*

**One size fits all**
