Church Truck

CH-300

The Junkin Church Truck, constructed of anodized aluminum tubing is sturdy for moving and displaying any size casket. Convenient and easy to maneuver, the accordion x-design allows for four positions – folded for easy transport to fully extended for supporting a casket.

DIMENSIONS:

Position 1: 27" L x 29" H.

Position 2: 51" L x 26" H.

Position 3: 62-1/2" L x 22-1/2" H x 22" W.

Available in three anodized finishes: silver, gold, and bronze.

Display Cart

CH-100

Constructed of sturdy anodized aluminum tubing for a long lasting like-new appearance. Large six-inch wheels roll with ease over rough surfaces. Six rubber tips will hold casket solidly in place. Shipped knocked down, easy assembly.

DIMENSIONS: 48" L x 19-1/2" W x 21" H.
