

## Gear Bag

Easily Carry All Your Files & Equipment Together

Tough, water-resistant Cordura® nylon bag is designed specifically to carry and protect gear normally carried by medical personnel, fire investigators, chiefs and officers. Take a look at these outstanding features. A true hard-shell case with rigid bottom, front, back and end panels and a heavily padded top. The case can be collapsed for flat storage. Large main compartment has Velcro® adjustable center divider. The main compartment is lockable with dual zipper pulls. On the underside of zippered top are two zippered storage compartments for items such as small binoculars, mini-camera, etc. plus 6-pocket pen and pencil holder. Two weatherproof, zippered outer compartments on both sides of the case are great for notebooks, gloves, maps and much more. The three differently shaped open compartments on the front of the case can hold a flashlight, handheld radio etc. All of this is held together with tough nylon web carrying handles and adjustable and removable shoulder strap. Available in black only. Ship. wt. 4 lbs.

## Portable Seat Organizer

Holds and Secures All Your Daily Items

It's the most popular seat organizer on the market. The form-fitting pockets are designed to secure clipboards, flashlights, maps, files, pens, etc. and keep them from sliding around the vehicle or falling on the floor. The seat brackets allow the organizer to easily slip over the front side passenger seat to keep it secure as well as accessible to the driver. What's more, a built-in handle gives added carrying portability. The Seat Organizer is made of black, impact-resistant ABS. Measures 21"x14"x3 3/4". Ship. wt. 5 lbs.

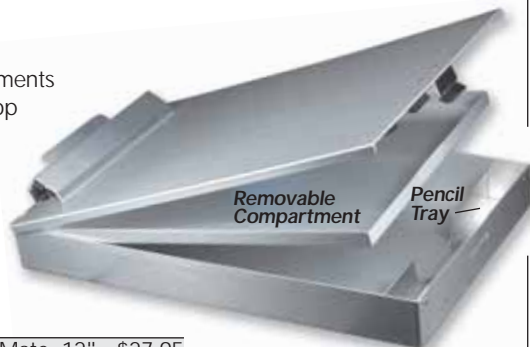

AE151 Portable Seat Organizer \$64.95

## Clipboard Organizers

Provides Convenience and Organization

The Cruiser Mate will neatly organize all your papers into two compartments. The uniqueness of the Cruiser Mate allows you to remove the upper compartment to create one large compartment. Ship. wt. 3 lbs.

## Status Boards

Status Boards provide true accountability because you record the team assignments and entry times. This way, if someone does not come out on time you know where to send the F.A.S.T or R.I.T. team to begin their search. The Status Boards help maintain order and provide key information in the event of a problem. Comes with eight rings and sections for collecting.
