Emergency Equipment Staging Platform

The Emergency Equipment Staging Platform is 6'x10', color coded and marked. This MAT-1 features a ribbed storage area for air cylinders. There are also storage areas for power tools, ropes, and EMS equipment. MAT-1 is expandable to meet the size of any incident. Each MAT-1 panel is also sold separately and comes standard with green and red which has "Full and Empty". The two yellow panels have "Power Tools and Hand Tools". The two blue sections have "EMS and Ropes" and the long middle section has "Hooks" embroidered for long lasting markings. The sections are easily expanded or retracted as needed. *Carrying strap included.*
