

Honda Generator Lights

- ▶ **More Power** - 1000w and 2000w maximum output with 900w and 1600w continuous output.
- ▶ **More Versatility** - Either generator will accept any of Extenda-Lite's light heads-up to their rated power capacity.
- ▶ **More Mobility** - These generators go where power cords can't.
- ▶ **More Efficient** - Simultaneous AC/ DC use is great for fire or accident scene investigations.
- ▶ **More Running Time** - With Honda's Eco throttle on, the generator automatically throttles down when the light is turned off.
- ▶ **More Safety** - AC/DC circuit breakers and USDA qualified spart arrester for mufflers are standard.

Cat#	Generator	Light Watts	AC Output	Wt.	Price
AR198	Honda EU1000i	500	1000	39	\$1,509.95
AR199	Honda EU1000i	650	1000	40	\$1,548.95
AZ449	Honda EU2000i	500	2000	57	\$1,953.95
AZ450	Honda EU2000i	650	2000	58	\$1,985.95
BE056	Honda 1000w Inverter Generator				\$1,254.95
BE057	Honda 2000w Inverter Generator				\$1,729.95

Emergency Generator

- ▶ 2.8 HP/3600 rpm industrial engine
- ▶ OHV forced air-cooled, 4-stroke motor
- ▶ Output: 120v/240v, 60Hz
- ▶ Rated output: 1200w
- ▶ Peak output: 1300w
- ▶ 1.24 gallons fuel tank capacity
- ▶ Fuel: unleaded gasoline
- ▶ Solid state ignition system
- ▶ Starting system: recoil hand operated
- ▶ Convenient outlets
- ▶ Quiet muffler
- ▶ EPA approved
- ▶ Dimensions: 18.25" x 13" x 13.5"
- ▶ Weight: 62 lbs.

Electric Rewind Cord Reel

In an effort to continue to supply the equipment to meet the firefighter's every need, Akron Brass is proud to introduce the new Electric Rewind Cord Reel to the Power Distribution line. This cord reel contains many of the great features of our portable cord reels along with many new innovative features for the electric rewind market. *Will fit up to 250' of 12/3 600 volt wire.*

- ▶ Heavy-duty construction
- ▶ Powder-coated parts
- ▶ Motor can mount on all for sides including the rear for a slim design that maximizes compartment space
- ▶ Includes gang box attached to the commutator (not pictured)
- ▶ Live slip ring design
- ▶ Removable hub for ease of installation
- ▶ Includes relays

Shown with junction box. See p208.

BD159	Electric Rewind Reel	\$899.95
BD160	Fairleads	\$79.95
BD161	Cord Ball Stop for 10-Gauge Wire	\$18.95

Bowtie Coil Keepers

Keeps Your Cords Neatly Coiled & Convenient to Store

The Bowtie Coil Keepers are a must for any vehicle carrying extension cords. These strong, nylon-woven straps wrap tightly around extension cords to keep them neatly coiled until you need them, held firmly together with a Velcro® closure. Extra-wide overlap of hook and loop assure snug fit on any coil. What's more, the double D-ring tab offers terrific hanging strength so you can hang your coiled cord just about anywhere there's a hook such as in apparatus compartments and vehicle trunks. Red/Blue straps with black web tab. *Available in two sizes to meet your needs. Ship. wt. 1 lb.*

- ▶ Keeps cords neatly coiled
- ▶ Velcro® closure
- ▶ Hanging double D-ring
