

SPORT LE

aviation Headsets

Introducing Peltor's NEW entry level aviation headset: The 7000 Series Sport LE – designed for pilots and passengers alike who are concerned about protecting their hearing and demand uncompromised communication while flying in noisy cockpits.

- ▶ **Compact Folding Headband Design**
- ▶ **Patented Liquid/Foam Earseals**
- ▶ **NRR 24 dB**

SPORT LE

aviation headsets

Peltor's latest line of aviation headsets exhibit exceptional style and performance along with the protection, durability and comfort that is expected from the global leader in communication headsets. The Sport LE headsets are manufactured with Peltor's traditional H7 cup offering excellent hearing protection, and combined with our redesigned hygiene kit offers optimum ear room while maintaining a sleek and stylish outer profile.

Wide, softly padded headband for all day comfort

Patented stainless steel spring arms designed for durability and low pressure

Patented combination liquid/gel filled earseals

Noise-canceling electret microphone

Folds for convenient storage

Carrying bag included with every headset

Earphone volume control (behind earcup)

Microphone boom rotates for left or right side placement
