## Edge Guards

**Rubber for Cargo Straps** - These 1/4" thick strap guards stay in place even if cargo shifts. Permanently on strap so it won't get lost.

**Steel for Chain and Cargo Straps** - Great for sharp and rugged edges. Also used on crates to increase sturdiness.

**Plastic for Carton Straps and Cargo Straps** - These carton straps prevent plastic strapping from "cutting" into cardboard cartons. The cargo strap guard is an economical way to protect cargo and strap damage.

**New**
