

Spring-loaded swivel casters are protected by a steel dome with rubber bottom pads for extra grip.

Commercial Spring Loaded Ladders

Commercial users of rolling ladders now have an attractive and economical alternative to the traditional warehouse rolling ladders. This sleek design also provides maximum safety and convenience. The all directional spring-loaded swivel casters feature steel dome protection and include rubber pad bottoms to minimize movement. Each step is covered with serrated rubber so users will not slip. The powder coat finish provides a durable attractive appearance. Capacity is 300 pounds.

MODEL NUMBER	NUMBER OF STEPS	TOP STEP HEIGHT	OVERALL (W x D x H)	COLOR	NET WT. (POUNDS)
