Custom Cables

ALTINEX offers a custom cable program which helps to fulfill your last minute cable requirements within 24-hour and 72-hour turnaround and saves you time on prepping and terminating cables in the field.

Steps to order 24-hr/72-hr custom cables are easy:

1. Fill out your inquiry under http://www.altinex.com/Products/Cables/24hr-Custom-Cable/24hr-Custom-Cable.htm or contact your Altinex sales representative directly.
2. Specify the turnaround time.
3. Quotation will be sent to you shortly.
4. We will start building custom cables right after we receive your order.
5. Cables will be delivered to you within your specified lead time.
