

MT107-500**64x64 4TP AV Matrix Engine****Common features:**

- Accepts up to 8 4TP input cards: MT107-603
- Accepts up to 8 4TP output cards: MT107-703
- Accepts up to 8 4TP matrix cards: MT107-504
- VGA through UXGA signal format
- HDTV/Component compatible
- Compatible only with MT102-161 enclosure

MT107-501**32x32 4TP AV Matrix Engine****Common features:**

- Accepts up to 4 4TP input cards: MT107-603
- Accepts up to 4 4TP output cards: MT107-703
- Accepts up to 4 4TP matrix cards: MT107-505
- VGA through UXGA signal format
- HDTV/Component compatible
- Compatible only with MT102-161 enclosure

MT107-502**64x32 4TP AV Matrix Engine****Common features:**

- Accepts up to 8 4TP input cards: MT107-603
- Accepts up to 4 4TP output cards: MT107-703
- Accepts up to 8 4TP matrix cards: MT107-507
- VGA through UXGA signal format
- HDTV/Component compatible
- Compatible only with MT102-161 enclosure

MT107-503**32x64 4TP AV Matrix Engine****Common features:**

- Accepts up to 4 4TP input cards: MT107-603
- Accepts up to 8 4TP output cards: MT107-703
- Accepts up to 8 4TP matrix cards: MT107-506
- VGA through UXGA signal format
- HDTV/Component compatible
- Compatible only with MT102-161 enclosure

MT107-504**64x64 Matrix Board, 1TP Level****Common features:**

- VGA through UXGA signal format
- HDTV/Component compatible
- Compatible only with MT107-500 Matrix Engine
