CATMaster™ Termination System for RJ45

CATMaster™ Crimp Tool

This high quality crimp tool is designed to quickly crimp and cut the wires of the EZ-RJ45® Connector...in one easy simple

operation! Will also work on all other RJ-11, RJ-12 and RJ-45 connectors.
Part #: 100 044LW

UTP Cable Jacket Stripper

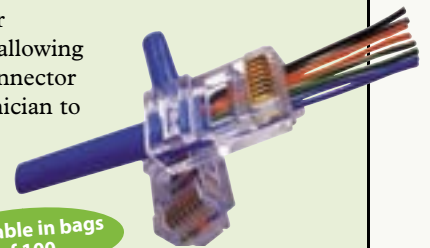

This economical tool has been specifically designed to strip the cable jacket from UTP cables. Will not nick the inner conductors.

Part #: 15010

EZ-RJ45® Connector

The new patented EZ-RJ45® connector simplifies twisted pair terminations by allowing the wires to be inserted through the connector and out the front. This allows the technician to easily verify the proper wiring order.

Connector Type	Part #
CAT5E	100 003B
CAT6	100 011C
RJ11/12	100 026C

Available in bags of 100
