

# 15, 30, 60 or 120 Watt Contractor Series Amplifiers

Speco Technologies' UL-listed Contractor PBM Series commercial amplifiers offer a reliable and cost-efficient solution for a wide range of applications.

Each amplifier in this series features multiple microphone inputs, an auxiliary input and a 600-Ohm telephone connection for phone paging. This helps to provide the flexibility of sound selection that installers require.

Speaker output terminals of 70 or 25 volt or 4, 8 and 16 Ohms complement higher-end features such as 'Music-on-Hold' and priority paging that are usually not found on amplifiers of this price point.

15 watts **PBM15**  
30 watts **PBM30**

**Ideal for a diverse array of applications**

60 watts **PBM60**  
120 watts **PBM120**

## 15 OR 30 WATT RMS P.A. AMPLIFIER

- Two MIC inputs (terminal strip)
- Aux input
- Front panel level controls
- Auto mute function
- Bass and treble tone controls
- Outputs 70/25V and 4/8/16 Ohms
- Auto summing stereo AUX input
- Music on hold output with separate level control (600 Ohms line and one Watt 8 Ohms)
- 600 Ohms tel. line input with level control
- Manual muting contacts
- Accessory AC outlet
- UL & CSA listed

Rack mounting kit available: **PBMRK1**

## 60 OR 120 WATT RMS P.A. AMPLIFIER

- Three MIC inputs (terminal strip)
- 1 XLR connector
- Aux input
- Front panel level controls
- Auto mute function
- Bass/treble tone controls
- Outputs 70/25V and 4/8/16 Ohms
- Auto summing stereo AUX input
- Music-on-hold output with separate level control (600 Ohms line and one Watt 8 Ohms)
- 600 Ohms tel. line input with level control
- Manual muting contacts
- Accessory AC outlet
- UL & CSA listed

Rack mounting kit available: **PBMRK2**
