

## HDMI Fiber Optic Extender

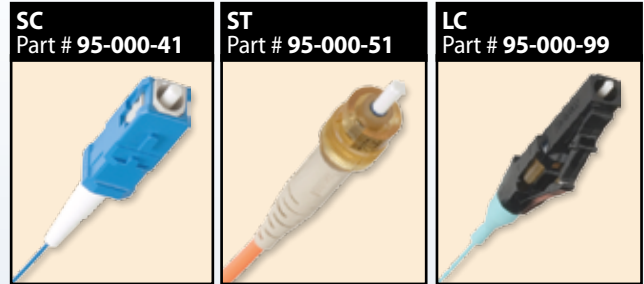

Part #: DL-HDFO

This unique HDMI/DVI fiber optical cable extender lets your digital display (Plasma TV, Digital Projectors, LCD Monitors, HDTV, etc.) be located up to 3,000 ft. (1,000 meters) away from the video and audio sources using the HDMI or DVI standard. Liberty's patented optical conversion technology enables noise-free and high-res (up to UXGA or 1080p) extension up to 1640 ft. (500m). Ideal for fishing through small conduits or other openings as the cables are detachable from the device (requires only 1/2 inch opening) and are much smaller than the DVI connectors used with Liberty's DL-DVIDFO-XXM. Liberty's HDMI fiber extender uses LC connectors.

## Bulk Connectors SC, ST, LC

Connectors sold as singles or in bulk organizer packs of 25

## Fiber Connector Organizer Packs

Connector	Description	Part #:
Organizer Packs		
SC PLUG	UNICAM 62.5 MM 25-PK	95-000-41-Z
ST PLUG	UNICAM 62.5 MM 25-PK	95-000-51-Z
LC PLUG	UNICAM 62.5 MM 25-PK	95-000-99-Z
