

P1 SERIES
ProtectorPLUS™
SELF-ADHESIVE PIPE MARKERS
 CONFORMS TO ASME / ANSI A13.1 STANDARDS

ProtectorPlus™ SELF-ADHESIVE PIPE MARKERS
 Both All-Environment and Indoor markers offer:

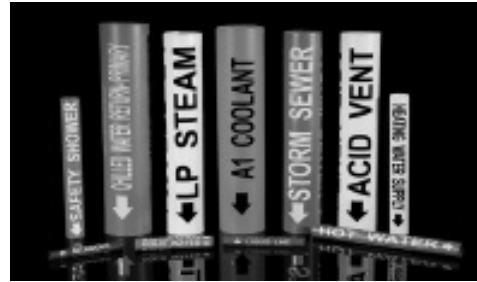

- 2-mil gloss radiant white polyester with 8-mil acrylic adhesive
- More than DOUBLE the adhesive of other PSA pipe markers
- Excellent bond to both high and low energy surfaces
- Excellent chemical, weather and humidity resistance
- Service temperature: -40°F - 300°F
- UL recognized (File MH16411)
- CSA International accepted (File 99316)
- Meets British Standard BS-5609

P2 SERIES
ProtectorPlus™ ALL-ENVIRONMENT PIPE MARKERS
 Also includes an overlaminate for rigorous conditions

- 1-mil clear polyester
- Designed for extreme environmental conditions
- UV resistant for extended periods
- Superior abrasion, humidity and solvent resistance

Outside Diameter	Marker Size	Letter Size
3/4" to 2 1/4"	1" to 8"	3/4"
2 1/2" to 7 7/8"	2 1/4" x 12"	1 3/4"
8" to 10"	4" to 24"	3/4" to 2 1/2"
Over 10"	4" to 32"	3 1/2"

PC SERIES
Maintenance Series
PIPE IDENTIFICATION
 CONFORMS TO ASME / ANSI A13.1 STANDARDS

SELF-ADHESIVE PIPE MARKERS

- Indoor polyester pipe markers with high performance, pressure sensitive adhesive
- Excellent durability
- Medical Gas Markers

Outside Diameter	Marker Size	Letter Size
3/4" to 2 1/4"	1" to 8"	3/4"
2 1/2" to 7 7/8"	2 1/4" x 12"	1 3/4"
8" to 10"	4" to 24"	3/4" to 2 1/2"
Over 10"	4" to 32"	3 1/2"

V1 SERIES
WRAP-AROUND PIPE MARKERS

- Manufactured with rigid vinyl
- Arrows included on markers
- Call for a quote on custom legends

Pipe OD	Letter Size	Shape
3/4" to 1"	1/2"	Coiled
1 1/8" to 2 3/8"	3/4"	Coiled
2 1/5" to 3 1/4"	1 1/4"	Coiled
3 3/8" to 4 1/2"	1 1/4"	Coiled
4 5/8" to 5 7/8"	1 1/4"	Coiled
6" to 7 7/8"	1 1/4"	Flat
8" to 9 7/8"	2 1/2"	Flat
Over 10"	3 1/2"	Flat

KEY BENEFITS OF OUR PIPE MARKERS

- Breathable polyester resists pipe and insulation decay
- Guaranteed quality; right legend, right color, right size, everything is right
- Compliant (colors; size) with ASME (ANSI) A13.1 standard
- Material and adhesive recognized globally for pipe marking installations (UL, CSA International & British Standard BS-5609)
