

TOILET TANK ANTI-SWEAT VALVE

BRASS

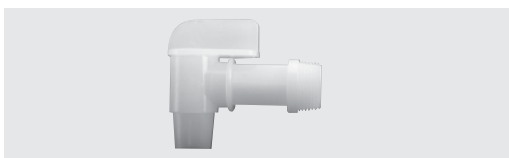

Part No.	UPC-A (032888)	Valve Size	Inner/Master Carton Qty.	Master Weight (lbs.)
109-503	095038	1/2"	1/50	39
109-503RP †	300880	1/2"	10/40	33

† = Display packaging

- Three way installation: Threaded 1/2" IPS Solder 1/2" (5/8" O.D.) Compression 1/2" (5/8" O.D.)
- Hot water adjusting screw allows hot water to be shut off or regulated

DRUM & BARREL

PLASTIC

Part No.	UPC-A (032888)	Valve Size	Inner/Master Carton Qty.	Master Weight (lbs.)
Plain Outlet				
109-203	092037	3/4"	10/100	9
109-213	092136	2"	1/12	11

- Excellent chemical resistance
- 3/4" male pipe thread inlet
- Threaded inlets comply with ANSI B1.20.1

DRUM & BARREL FAUCET • SELF CLOSING

ZAMAC

Part No.	UPC-A (032888)	Valve Size	Inner/Master Carton Qty.	Master Weight (lbs.)
Plain Outlet				
109-204	092044	3/4"	6/72	31

- Painted brass color
- For use with all petroleum products except trichlorethylene
- Not for use with water or detergents
- 3/4" male pipe thread inlet
- Convenient hole to lock handle in closed position
- Threaded inlets comply with ANSI B1.20.1

DRUM & BARREL FAUCET

BRONZE

Part No.	UPC-A (032888)	Valve Size	Inner/Master Carton Qty.	Master Weight (lbs.)
Plain Outlet				
109-214	092143	3/4"	6/36	47
Hose Threaded Outlet				
109-224	092242	3/4"	6/36	47
Female Threaded Outlet				
109-225	092259	1" x 1" NPT	4/24	47

- Quarter turn operation
- Lockable handle
- Pipe threads comply with ANSI B1.20.1
- Hose threads comply with ANSI B1.20.7
