

CHEMICALSORBENTS

WHEN YOU NEED YOUR PADS AND ROLLS COLOR-CODED FOR SAFETY

Alert your employees to the presence of hazardous fluids with green and yellow chemical sorbents from SPC. These surfactant-treated polypropylene pads and rolls can be used on a wide range of chemicals, including hydrofluoric acid and are chemically inert, so they will not react with aggressive fluids.

NEW

MAXX Chemical

- Single ply, value sorbent
- Made with MAXX Technology – delivering increased performance without increasing the weight
