

SKIC

Suspended Ceiling Speaker Mounting Kit

The **SKIC** is a kit for mounting a pair of SPK-CO608 speakers in suspended (drop) ceiling tiles.

FEATURES

- **Kit Includes** - 2 ceiling support rings (18.5cm c-rings to fit open 6.5" or closed 4" speakers) and 2 pair of rails (to fit standard 60cm/24in ceiling rails).
- **Use** - In place of the locking arms included with each speaker for standard ceiling installations.
- **Models Included** - The kit is included in the package of the SPK-CC444, SPK-CC448 and SPK-CC608 speakers.
