

# Re-Form™ Eco-Friendly Absorbents

## Re-Form™ Absorbent Family:

All of these pads and rolls start with a highly absorbent core made from recycled materials - the difference is what happens from there. Features such as durability, absorbency grades and coverstock give you versatile absorbent options for your specific application.

	Applications	Durability	Linting	Cost	Absorbency Grades	Construction
<b>Re-Form™ XPlus Absorbent Pads &amp; Rolls</b> <small>Page 30</small>	When durability and lower linting is needed for foot traffic, walkways, and around work stations.	✓✓	Medium Linting	\$\$\$	Medium Weight	Minimum 80% recycled cellulose with 2-sided MBPP coverstock
