Industrial  
Cleaning

# Hako-Hamster 500 E

## The advantages at a glance.

On-board charger to charge at any available plug socket. Most simple operation and clear information.

Clearly laid out construction, easy adjustment, maintenance-free battery system. Large 40 l synthetic material dirt hopper.

### Powerful

Fully usable and largest hopper of its class.  
Powerful sweeping performance on hard floors and carpets.  
Effective dust control as a result of the powerful vacuum blower with large filter.  
Highly effective shaker device for filter cleaning.  
Long running time on industrial and carpeted floors.  
Absolutely corrosion-resistant housing / chassis as well as corrosion-resistant dirt hopper.

### Comfortable

Maintenance-free battery system.  
Easy folding operating handle and compact dimensions for transport.  
Easy grip housing and low unladen weight.  
Height adjustable handle bar with one lever operation for all functions.  
Simple and central sweeping height adjustment.  
Can negotiate stairs as a result of the large outer lying wheels.

### Intelligent

Most simple construction on a robust one-piece chassis.  
On-board charger with integrated connection cable.  
Electronic overload indicator and protection for drive motors with automatic return setting.  
Integrated low discharge protection.  
Non-marking collision protection integrated in the chassis.  
Handle design makes it easy to drive away from walls.  
Easily fitted fluff sieve for use on carpeted floors.

### Technical Data Hako-Hamster 500 E

Battery drive 24 V 10 Ah, drive motor 24 V 210 W, on-board charger with integrated cable connection.

Working width without side brush 400 mm, with side brush 600 mm, sweeping speed 4.0 km/h.

Hopper volume 40 litres, useful hopper load 25 kg.

Area performance according to VDMA 24441 without side brush 1,600 m<sup>2</sup>/h, with side brush 2,400 m<sup>2</sup>/h.

Dimensions with folded handle bar length 800 mm, width 700 mm, height 600 mm.

Unladen weight 36 kg, weight ready for operation 51 kg (with battery)
