

### Cart Lifter Model D6250 from Perkins Manufacturing Company

- TuckAway™ Cart Lifter has cart-grabbing action that lifts cart on uneven terrain and varying heights.
- This unit can recess under the hopper, and when combined with a sill extension modification kit, your rearloader can operate both commercial and residential routes.
- Lifters ANSI Type C (European Style) and ANSI TYPE B (US style) plastic carts.
- Powerful 27k rotary actuator for smooth and dependable lifting action.
- Simple operation and construction
- New 3 year limited Warranty

Note: Some trucks equipped with a kick-bar / tipper-bar may require cutting and lowering the bar to clear the lifter. The exact changes necessary will vary per installation. Lowering the bar is commonplace and photos of such examples are available upon request.
