

Cart Lifter Model D6405 from Perkins Manufacturing Company

- TuckAway™ Cart Lifter has cart-grabbing action that lifts cart on uneven terrain and varying heights.
- This unit can recess under the hopper, and when combined with a sill extension modification kit, your rearloader can operate both commercial and residential routes.
- Fully-compatible with trucks equipped with a tipper-bar / kick bar.
- Powerful 27k rotary actuator for smooth and dependable lifting action.
- Self-resetting BreakAway feature reduces damage to the actuator in the event of a collision or bottom-out.
- The shape of the lifter adapts to your truck.
- Simple operation and construction.
- Greaseless bearings reduce maintenance costs.
