

Control4® SR-150 System Remote Control

Control4® SR-150 System Remote Control C4-SR150B-Z-B

Control4® Navigators allow you to interact with your Control4 system. Control your lights, temperature, movies, music and more from any of our intuitive interfaces. Designed for use with the Control4 On-Screen Navigator, the SR-150 System Remote Control puts the power of total home control in your hands.

It's all part of the Control4 vision. We bring the benefits of a truly automated home to more people with solutions that are affordable, easy-to-use and designed for any home or lifestyle.

- Single-button press to turn on your A/V gear and start watching or listening to your favorite movies or tunes.
- Control your entire home automation system with this compact remote. Ditch all the other remotes in your house—this does it all.
- New SR-150 B version supports motion and light sensing.
- Priced to enable on-screen control for every room in the home.
