

SANUS Euro Series Racks

Modular racks with a European flair

Euro Series racks create a clean, modern look with a modular design that easily expands to fit any AV system. Wire management clips secure loose cables for a sleek appearance, and adjustable casters ensure the units always stay stable and aligned, even on uneven surfaces.

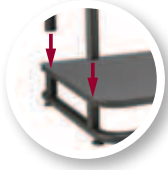

EFAV40-B1 / EFA31-B1 / EFSattb

Open architecture ensures constant airflow to keep components cool

Heavy-gauge steel frame offers incredible strength and rigidity

Customizable modular design expands to fit any AV system
