# SANUS Accurate Series Furniture

## Showcase your AV gear with contemporary style

Strong steel pillars support sleek black shelves to hold virtually any AV system, including traditional and flat-panel TVs. Our Accurate Series features easy-to-assemble stands to keep AV components cool and organized with open architecture and cable management channels, creating a functional, modern piece that will complement your décor without breaking the bank.

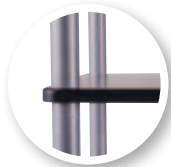

AFV48b / EF28b

Easy-to-assemble units can be built in minutes

Cable management holes conceal and route cables for a clean, organized appearance

Heavy-gauge tubular steel pillars provide incredible strength and rigidity

Open architecture allows unrestricted airflow to keep AV components cool
