For the most accurate information, the installation guide should be used for all design and construction purposes. Due to continuous product improvements, design and specifications subject to change without notice. The quality management system of Alliance Laundry Systems' Ripon facility has been registered to ISO#9001:2000.

FEATURES & BENEFITS

- Large, easy to clean lint compartment.
- Fewer moving parts mean fewer maintenance problems and less wear.
- High performance heater box increases energy efficiency, reduces drying times and provides more comfortable operating environment.
- Fits through 36 inch door opening and is a foot shorter than our 50 lb unit, making it a great option for laundries short on space.
- Fast drying results, outperforming our 50 lb tumbler in speed and efficiency.
- Concentrated axial airflow pattern and sealed cylinder rims ensure maximum air utilization and energy savings.

AVAILABLE CONTROLS

Control	Description
Quantum Gold	Quantum Gold offers the flexibility of 30 programmable cycles.
	
Dual Digital	Set drying time, temperature and cool down. Features include one touch cycle repeat, automatic extended tumble and large digital countdown display.
