PIPE AND DRAPERY BACKGROUND SYSTEM

- Free standing system assembles in minutes without tools.
- Multi-purpose applications such as subdividing rooms, blocking light at entrance ways and an add-on to Fast-Fold® Drapery Kits for wider rooms.
- Available in your choice of fire retardant cotton velour or inherently flame retardant Ultra Velour materials.
- Available in three heights and variable widths to fit any application.
- Drape panels can be custom sized to fit a specific application.

Velour fabric maintains fire resistance through eight dry cleanings. Ultra Velour fabric is inherently flame retardant, sound neutral, high opacity and machine washable.
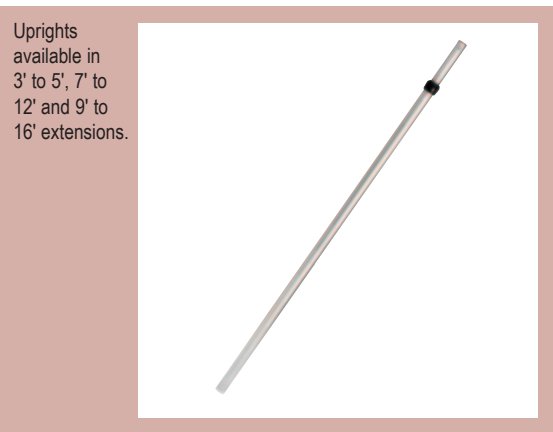

Standard with black drapery or choose optional blue or pewter gray drapery.
