

HOLO SCREEN

Da-Lite's Holo Screen Rear Projection Screen

- The Holo Screen is available in sizes up to 108" x 300".
- Custom sizes are available upon request.
- The Holo Screen includes an aluminum extruded top and bottom frame for ease of installation.
- Adjustable and lockable fasteners and stainless steel cables complete the installation.
- Ideal for use in digital signage and point-of-sale applications.

Holo Screen rear projection screens from Da-Lite Screen Company, Inc., have been specifically designed for use in high ambient light, digital signage and point-of-sale applications. The Holo Screen is a single piece acrylic rear projection screen with a specially designed optical coating. This optical coating bonds to the acrylic so it will not crack, peel or become discolored.
