

### Company Goal

Our goal is to provide our customers with quality fire extinguishers at a great value. In pursuit of this, we are proud to say that we manufacture all our products in the U.S.A. We mill and blend our own dry chemical agents, machine the component parts, assemble and then test our units to the highest quality standards.

*Third Party Approvals For Peace Of Mind*

### Key Features Of Buckeye Fire Extinguishers

- Manufactured to meet UL/ULC's rigorous standards for commercial hazard protection and backed by our manufacturer's warranty.
- Dry Chemical and Halotron extinguisher cylinders are constructed out of deep drawn and ironed carbon steel. Carbon Dioxide cylinders are constructed out of 6061 TG aluminum.
- Rechargeable.
- Anodized aluminum or plated brass valve assemblies for superior strength and corrosion resistance.
- The extinguisher nameplate incorporates trilingual operating and maintenance instructions, English, Spanish and French.
- Color-coded gauges show operating status at-a-glance.
- Extinguishers have model and serial number bar coding for easy and accurate maintenance history.
- Metal pull pins, vehicle brackets and wall hooks for extended unit service life.
